Sundar Acharya

9843670184   sundaracharya096@gmail.com

SUMMARY:

Experience in Analysis, Design, and Development of web applications with DotNet. Innovative approach to problem solving from engineering perspective. Team player, actively contributing to all stages of software development life cycle (SDLC), including requirements gathering and module integration. Analytical thinker, monitoring projects to ensure adherence to specifications and identifying areas of potential design enhancements.

TECHNICAL SKILLS:

Programming Languages	C++, Java, Python, Swift, Objective-C,
Web Technologies	HTML, CSS, Vue, JavaScript, Bootstrap
Database Systems	MySQL, MSSQL
Operating Systems	MacOS, Windows, Ubuntu
Development tools	Visual Studio, Xcode, Eclipse
Design Patterns	MVC, Singleton
Development Frameworks	asp.net, asp.net mvc, jsp, java servlet, CISCO packet tracer
Servers	Apache Tomcat, XAMPP
Version Control	Git, SVN
SDLC	Waterfall, Agile, Iterative, Scrum
Web Service	REST, SOAP

WORK EXPERIENCE

Intern   **Kathmandu, Nepal**
Sarvanam Software Pvt. Ltd.   Oct 2018-Jan 2019
Software Developer(Internship)
- Renovation of POS module of Hospitality management system

- Data collection and billing as per the user requirements

- Automated Report generation for different outputs.

Work   **Kathmandu, Nepal**
Cygnus Tech Pvt. Ltd.   Mar 2019 - Jan 2020
Junior Software Developer
- Development of E-commerce websites

- Requirement analysis and modeling of system

PROJECTS
Smart Canteen (Web application)
- Designed fully functional Website application using HTML, CSS, Java Script, .net, MS SQL

- Created requirements document and design document for the functional and non- functional requirements.

- Purpose: Develop and Implement IOT in Canteen

- Objective: Implement system with Recommendation using collaborative filtering

Golden Fried Chicken (Web Application)

- Designed fully functional web admin panel using HTML, CSS, Java Script, .net, MS SQL

Sarvanam Management Information System

- User validation via IP address detection

- Client data management

- Clients Software License generation and management

- File transfer system for new changes to the software

EDUCATION
Prime College affiliated to Tribhuvan University)   **Kathmandu, Nepal**
Bachelor of Science in Computer Science and Information Technology   March 2019

Kathmandu Barsha College affiliated to HSEB Nepal   **Kathmandu, Nepal**
Science   2014

Dhaulagiri English Boarding School   **Baglung, Nepal**
School Level Certification   2012

Training / Certification
MTA Networking Fundamentals   February, 2016
Microsoft Innovation Center

Web Development   Jan 2017- April 2017
IT Training Nepal

.Net Programming   Jan 2018- May 2017
ITTN Nepal

CCNA Certification Course   Mar 2019- May 2019
Prime College
